May 2009 Prayer Calendar for Eastern Hungary

Items below are listed in order as they appear on the calendar.

- Coffee house** – For years it has been the dream of the Eastern Hungary Team to have a weekly coffee house to provide a neutral setting to meet with people. God has laid it on the heart of a long-time family friend of the Millers to support the ministry. We still have not located a suitable place, so all the gifts are being saved for the future. The coffee house will likely meet on Fridays, so we are asking people to pray every Friday in May for a location and for guidance regarding the right time to start.
- Music ministries** – A Baptist pastor once told us that music was the one medium that consistently spoke to Hungarians, crossing the gender, age, and social barriers. Pray for volunteer music groups coming this summer and fall, that God will use them to spread His message of love and redemption.
- “Connecting for Friendship”** is the English translation of the name of our summer program, which includes our summer bicycle tourism groups and many other outreach projects. It was named by a Hungarian friend to reflect the methodology of our summer ministry. This summer we plan to be in the towns of Tiszafüred, Balmazújváros and Nádudvar. We also ask you to pray we will be able to plant new churches in each of these small cities.
- National believers and churches** – Through the centuries evangelical churches have stood in Hungary, often against great odds. Many times it has been a struggle just to survive. It is difficult to work and work and not see growth--or even worse, to see decline. Please pray for a great revival among the Hungarian believers, and new strength to reach their countrymen.
- Euro School and Baptist School students** – The Euro School is an accredited private school in Debrecen with several different programs. In partnership with the Hungarian Baptist Union, a new program is being added: the Baptist School. The IMB will be providing conversational **English teachers** for at least one year, as well as a **volleyball coach** for their team. Please pray for the students, teachers, and for Barnabas, who is the Baptist pastor now on staff at the school.
- Aviation camp** – Gary is teaching at the Angel Wings Foundation’s semiannual aviation camp in Romania. The foundation uses aviation adventure camps to reach young people. Pray that God will speak to the hearts of those attending, as spiritual principles are tied to the physics and as they experience flying for the first time.
- Sports ministries** – Sports is one of the best ways to help young people to stay out of trouble. Pray for the EHU team, and especially for A.P., as they develop sports opportunities for students.
- Decentralized Theological Education** – One goal is to provide education for pastors and lay leaders without them having to leave their place of service. The IMB had previously begun developing the program, which has been sidetracked for the last few years. Pray for the EHU team as they try to begin holding classes again.
- Conversational English groups** – Currently the team is helping with conversational English classes every Wednesday at a local high school. Pray that strong relationships will develop between the team members and students that attend.
- English classes and camp in Hajdúszoboszló** – Since last November we have helped the Hajdúszoboszló church with biweekly English classes. Pray that the current English classes and the English camp July 6-12 will help the church build good relations with the community and provide opportunities for sharing the Gospel.
- Skateboarder outreach** – A volunteer skate boarder is coming for three weeks to reach out to the extreme sports crowd, street kids, the punks and the Goths. Please pray for Nick, and that these youth will come to Christ.
- “Grain Game” children’s camps** in Hungary, Serbia & Romania during June and July – This is a non-IMB project, but we played a part in helping to get it going and see potential long-term benefits for their work. Pray that the kids attending these camps will study God’s word with open hearts.
- Scripture distribution** is a part of all of our projects, but we also hold special Bible distributions. Please pray that enough Bibles and CD’s will be available, and that people will read or listen to what they receive.
- Baseball camp** – A volunteer team is coming to hold a baseball camp in Püspökladány from May 18-23. Good Sports International will also be helping. Please pray that the team will be able to share openly with the kids.
- University student ministries** – Please pray for Holly as she organizes student ministries and leads discovery and discipleship Bible studies, as well as plans the back-to-school bash & outreach activities for 2009-10.
- Missionaries** of the Eastern Hungary Team, as well as our interns and other short-term volunteers.
